

Comfort op eenzame hoogte

Op elk moment wil Profel een garantie zijn voor een gevarieerd aanbod, kwaliteit, duurzaamheid en perfecte isolatie. Daarom fabriceren wij onze producten zelf. Alleen zo zijn wij zeker u producten van het hoogste niveau te kunnen aanbieden.

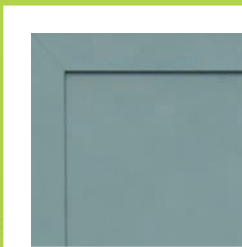

Een veilig en geborgen gevoel

Met Profel kiest u niet alleen voor kwaliteit, maar ook voor veiligheid. Onze deuren zijn immers uitgerust met diverse inbraakwerende mechanismes. Uw veiligheidsgevoel zal er enkel maar door toenemen!

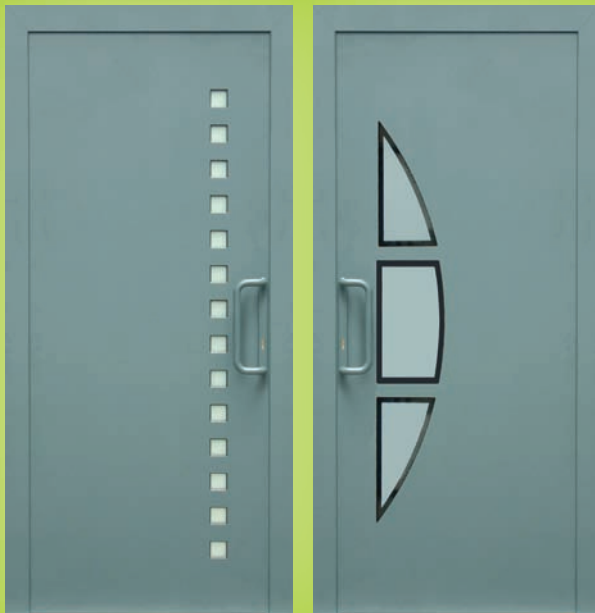

Een streling voor het oog

Al onze producten getuigen van een goede smaak. Ze zijn ontworpen volgens de laatste design-tendenzen en passen perfect bij uw woning, welk ook de stijl. Op die manier geven wij een nieuwe betekenis aan de uitdrukking 'mooi wonen'!

Deurpanelen

Cubis & Curvo Panelen

profel

Professionals adviseren ramen en deuren van Profel!

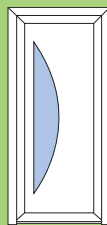

Profel geeft vorm aan al uw wensen!

U heeft de keuze uit verschillende modellen:

- Glassoort naar keuze, ook gezandstraald met heldere boord (boord is steeds 20 mm zicht)
- Alle afgebeelde panelen kunnen gemoffeld worden in kleur naar keuze of voorzien worden van een structuurfolie aan binnen- en buitenzijde
- Panelen met een “**” kunnen voorzien worden van een modern ornament van 25 mm breed (niet noodzakelijk), steeds gemoffeld
